5 majors that I'm interested in pursuing:

- 1 Business
- 2 Psychology
- 3 International business
- 4 Management
- 5 Communication

Personal attraction:

What personally attract me about SDSU are mostly the best friend goes to SDSU and because my best friend goes to SDSU and she had told me a lot of stories about her experiences living on the campus. Another reason why I am personally attracted to this school is because I don't have to leave my parents and I can still live in my house.

Unique qualities:

- San Diego State students can choose from 91 undergraduate majors, 78 master's programs and 22 doctoral degree programs.
- With an enrollment of more than 35,000 students, SDSU is increasingly becoming a top choice for undergraduates as evidenced by the record number of applications received each year.
- Now in its 117th year, San Diego State University can take pride in more than a century of achievement in education, research and service.
- SDSU's Guardian Scholars program provides support, including academic mentoring and year-round housing, to students leaving the foster-care system.

Student life:

- SDSU encourages all students to live on campus for at least 2 years while studying at SDSU.
- Students who live on campus have a 10-15% better chance of doing well in college.
- Students who are involved in campus organizations and activities are more likely to enjoy their college experience and make meaningful social connections.
- Each fall, thousands participate in our annual tradition of welcoming alumni back to SDSU, with festivities including a football game, student competitions, and music provided by the SDSU marching band.
- SDSU's Greek letter social organizations create smaller communities within the larger university environment. They help students grow in the areas of scholarship, personal and leadership development, campus involvement and community service.
